MEMORANDUM TO FILE

TO: File

FROM: Toni Loper, Public Utility Analyst 

SUBJECT: In The Matter Of The Application Of Skyline Innovations, Inc. For Approval Of A Name Change To Nextility, Inc. (Filed September 29, 2014) - PSC Docket No. 14-61T

On September 29, 2014, Skyline Innovations, Inc. ("Skyline") filed an application with the Delaware Public Service Commission ("Commission") to change its name to Nextility, Inc. ("Nextility" or the "Company"). An Electric Supplier Certificate was issued to Skyline, Inc. on March 4, 2014 in PSC Docket No. 14-61.

In the application in the instant docket, Skyline is requesting for the name change to Nextility, Inc. to be effective on November 13, 2014. The Company included documentation from the Delaware Secretary of State that it is legally authorized and qualified to do business in the State of Delaware. Nextility, Inc. provided Registration of Trade, Business, & Fictitious Name Certificates for each county in Delaware for the trade name Nextility, Inc.

The Company provided the notification of the name change to all existing customers on September 2, 2014 in accordance with 26 Del. Admin. C. §3001 (the "Supplier Rules"). It does not appear that the requested name change will affect electric supply service to any of the Delaware customers. The Company's application states that all existing terms and conditions with existing customers will continue in force and effect, without modifications in service.

The Company's request for a name change appears to be reasonable and meets the requirements of Supplier Rules. Staff, therefore, recommends the Commission recognize the name change.

cc: Ms. Alisa Bentley, Commission Secretary
Ms. Pamela Knotts, Regulatory Policy Administrator
Ms. Kate Schmid, Nextility
